Selection

Upon receipt of your complete application and required forms, the Board of Directors of the BAC Local 3 Sullivan-Kraw Scholarship Fund will submit your application for judging to the Scholarship Selection Committee, an outside group composed entirely of

professional consultants. Apart from verifying eligibility of the applicant, the Board of Directors will not exercise any choice among the various applicants or indicate in any way that one applicant should be favored over another.

Selection will be based on academic achievement, goals, citizenship and responsibility. The Selection Committee will submit to the BAC Local 3 Sullivan-Kraw Scholarship Fund the list of the finalists to be awarded scholarships.

Value and number of scholarships may vary annually with the funds available. Students accepted to U.C. Berkeley or Santa Clara University, both of which are Don Sullivan's alma mater, will be eligible for the highest award.

Notification and Verification

Winners will be notified in writing by the Board of Directors of the BAC Local 3 Sullivan-Kraw Scholarship Fund. Winners must then submit (1) proof of matriculation at their chosen college or university and, if not previously provided, (2) proof of relationship of the winner to the qualifying BAC 3 member or employee, including birth or marriage certificates, adoption papers, etc., as appropriate. Failure to establish either within 60 days will render the award void. It is expected that winners will be announced by April 2019.

Award Procedures

Award checks will be deposited in the winning students' names at the bank of the college or university they will be attending. Any funds paid into the school bank on behalf of the scholarship will be held in a scholarship account, which cannot be accessed for other than its intended use.

In the event the amount of the scholarship is greater than the amount owed to the school, the difference in money shall be applied to the following school year of the recipient's education. If this event does not occur, due to cessation of the recipient attending school or for any other reason, all monies will be forfeited. Except in the case of death, if at any time during the term of a scholarship award the membership of the qualifying BAC 3 member or employment of a qualifying employee terminates, the said scholarship award will also terminate, and all remaining monies will be forfeited.

Scholarships are renewable for three years of undergraduate attendance, subject to continued academic performance and continued membership of the qualifying member or employment of the qualifying employee.

Grievance Procedures

Any disputes arising from any provisions or procedures of the scholarship program shall be referred to the Board of Directors or Selection Committee as appropriate, whose decision shall be final and binding.
