SF - Bay Area Contractor College

Contractor College Module 1: Estimating/Project Management

The **International Masonry Institute** invites you to our Contractor College Program to be held on *Wednesday, November 20, 2019* in **SF - Bay Area**.

REGISTER HERE

Program:

The Contractor College “**Cost Estimating and Project Management**” course is the first of five modules developed

from the experience of signatory contractors. This course is designed to provide management and operational skills required for contractors to start a business. With focus on estimating and project management, the curriculum includes the following:

- project management documents
 - software options.
 - cashflow analysis.
 - operational procedures necessary to succeed in a competitive market.
 - Cost estimating; general masonry.
 - Cost estimating; air-barriers.
 - Cost estimating; rain-screen systems.
-
